COMES NOW the United States of America, by and through undersigned counsel, and files this opposition to the defendant’s “brief on the merits”, filed at docket 100.

At docket 95, the defendant filed a motion almost identical to this one. At docket 97, the United States filed its opposition to the defendant's motion, requesting that it be denied without an evidentiary hearing. Because the United States already addressed the substantive issues raised by the defendant in its response at docket 97, the United States will rely upon that filing in opposition to the defendant's filing at docket 100.

RESPECTFULLY SUBMITTED this 23rd day of June, 2008, in Anchorage, Alaska.
